

STINGRAY SWIM TEAM PARENT OBLIGATIONS

The success of the swim team is dependant upon parent participation. All meets and related events are completely run by parents. Job sign-ups are filled on a first-come basis. Jobs include timers, snack bar, clerk of course, deskwork, meet set up, take down, and other jobs. Instructions will be given where needed. Family job participation is based on the number of swimmers in a family. These jobs are **MANDATORY**. The numbers listed below are the minimum jobs. You may be asked for additional responsibilities as needed. There is, however, a one time Job Waiver Fee to waive this obligation. This must be paid **AT THE TIME OF REGISTRATION** if you wish to waive your job assignment obligation. If a swimmer chooses to practice, but not swim meets, families still **MUST** meet their work obligation or pay the Waiver Fee. These fees and jobs do not cover parent participation in the ALL STAR MEET or the CHAMPIONSHIP MEET.

<u>Number of Swimmers</u>	<u>Number of Job Assignments</u>	<u>Job Fee to Waive Assignment</u>
1	4	\$400.00
2	8	\$800.00
3	12	\$1200.00
4	16	\$1600.00

I understand that it is my obligation, not the Parent Job Coordinator, to make trades or provide substitutes if I am unable to meet these dates. It is also my responsibility to notify the Parent Job Coordinator of changes that I have made. Substitutes, if not other team parents, must be at least 16 years old. Failure to meet parent obligation will result in a **\$100 fee/per missed** assignment assessed to my Club account.
